

BOONE STREET AND DACRE PARK

Setting-up a Tenants and Residents Association

In conjunction with Lewisham council, we are surveying residents on Boone Street and Dacre Park. We want to ascertain interest from residents in setting up a Tenants and Residents Association within this locality.

Lewisham Tenants Fund - Who We Are?

Established in 1993, Lewisham Tenants Fund (LTF) is a grant funding organisation managed by a committee of Lewisham council tenants. The Fund offers practical support to tenants and leaseholders who are interested in setting up a tenants and residents association in their local area.

LTF provides financial support to the setting up of Tenants and Residents Associations (TRAs).

What is a Tenants and Residents Association?

It is a resident-led group that represents the views & interests of a community in a particular area with the council to help make their home and neighbourhood a better place to live.

LTF will provide the necessary financial and practical support, to enable residents to consult with their neighbours, and eventually to fund their tenants and residents association, if successfully formed.

We ask you to please take 5 minutes of your time to complete this brief survey.

If there is ample support for a tenants and residents association to be set up on Boone Street and Dacre Park, a meeting will be arranged for residents to come along and take part in electing a committee to run the association. All residents are welcome to attend.

Thank you for taking the time to complete this survey.

An officer from Lewisham Tenants Fund or a Boone Street/Dacre Park resident will be attending your home to collect your survey within the next 2 -4 weeks.

We truly value the information you have provided. Your responses will contribute to whether there is majority interest in setting up a tenants and residents association on the Boone Street estate.

You will be advised of the outcome by your housing officer, very soon.

**Many thanks,
Lewisham Tenants Fund**
